

## Success in Special Education: A Workshop Series for Parents & Caregivers

The Center for Autism & Neurodevelopmental Disorders offers a series of interactive workshops designed to provide easy-to-understand information about Special Education. These workshops will help families become active and knowledgeable IEP team members with a focus on collaborating with schools.

We highly recommend that parents attend a Special Education Basic workshop before attending a Specialized workshop.

**Cost:** \$15.00 per workshop. Sliding scale rates may be available.

**Location:** Center for Autism & Neurodevelopmental Disorders, 2500 Red Hill, Santa Ana, CA 92705

**Register today:** Please contact our Training Program Coordinator, centertraining1@uci.edu or 949-267-0471.

**Questions about the workshop?** Please contact Jeanne Anne Carriere, Ph.D., Educational Assessment Team Director, jcarrier@uci.edu or 949-267-0448.
