

Moving On At 3...Transition

This presentation will educate and support parents of young children during the transition process at age 3.

*Early Start is the program serving children and their families from birth to 3 years of age who have a developmental delay.

*Transition is the name given to the time period just before the child turns 3 and the process of planning for changes.

Moving On At 3 is designed to assist families before, during and after their child's 3rd birthday. Topics discussed will include assessment and eligibility determination for school district services; the initial Individual Educational Program (I.E.P.) meeting; as well as ongoing eligibility for Regional Center services.
